UNID@S EN *Por Gracia*  
VICTORIAS! *de Dios!*

1. The Government of Reconciliation and National Unity, emphatically condemns all acts of violence that have occurred in Nicaragua since April 18<sup>th</sup>, and more recently those that occurred yesterday, when Nicaraguan Families were honoring their Mothers in these days of pain, nourishing our Hearts with Faith and Hope, to encourage ourselves to continue working with firmness toward **Reconciliation, Dialogue and Peace.**

2. The Government of Reconciliation and National Unity, confirms to the Nicaraguans Families, that this situation of criminal violence that Opposition political groups have generated with Specific Political Agendas, as they activate a criminal format to terrorize Families, constitutes a conspiracy that violates the Consti-

tution of the Republic and intends to continue destroying the Safety and Life of the Nicaraguan families.

3. The Government of Reconciliation and National Unity, ratifies to our People and to the International Community, that it repudiates the criminal wave that is affecting Nicaragua, and that it is struggling along with the Families to confront it with Rationality and Laws.
4. The Government of Reconciliation and National Unity, completely rejects all the accusations of those groups that, in an insane and unprecedented provocation in our Country, conspire to denounce non-existent "attacks", to then proceed to attack and generate victims which they blame on the Public Order Institutions.

5. The Government of Reconciliation and National Unity, rejects and condemns all defamatory campaigns, all the slander, and denounces this criminal conspiracy which through intimidation, fear, threats and terror has tried to deliver the Country in the hands of organized crime, in order to pressure the different Sectors according to their own Agenda, while destroying in the process the Image of Nicaragua in the World, as they have tried to destroy Life and the Ability of our Nicaraguan Families to coexist in Christian Love.

6. The Government of Reconciliation and National Unity, emphatically denounces all the crimes that have been committed since April 18<sup>th</sup>, rejects any responsibility in that violence, and categorically affirms that we will fulfill our Duty to avoid further bloodshed, fratricidal confrontation, slanderous campaigns, by

demonstrating each day where this action, which seeks to enthrone chaos is coming from, accusing us, when the main proof of their fallacy has been the 11 years of **Peace, Justice and Development**, that in Christianity and Solidarity, Nicaragua has known.

7. The Government of Reconciliation and National Unity will maintain the permanent denounce of this abject criminality, and again categorically rejects any accusation without foundation or substance.
  
8. In Nicaragua, there are no attack forces or paramilitary groups affiliated with the Government, therefore we cannot accept that they try to accuse us of the painful and tragic events that we have not provoked, that we will never provoke, and that on the basis of unsubstantiated accusations, they intended to restrict

the application of the Constitutional Duty of the Public Order Forces to protect the Families.

9. From all Institutions of the Nicaraguan State we are committed to continue the Investigation of all the crimes and violent actions, to strengthen Justice, Security and the recovery of the Good Life that in Faith and Family Nicaraguans have enjoyed, for which we praise God every day. That Life, which God who is Love, surely will help us recover.

10. The President of the Republic, as Head of the Nicaraguan State, in firmly rejecting this entire criminal conspiracy, categorically reaffirms to our Blessed and Always Free Nicaraguan Families, that the only Path to Peace is Dialogue, the establishment of the Truth, and the search

for the solutions that our People demand.

11. With all due respect, we ask the Authorities that coordinates the Effort for National Dialogue, to call for Calm and the cease of all violence, in order to continue working for Security, Justice and Peace.
